

# Christmas Renunciation

Heavenly Father, I approach your throne with boldness, believing that the blood of Yeshua has rent the veil. Thank You for creating all that has been created through Your Spirit of Wisdom and Yeshua, Who is the Living Word. I praise Your Name and declare that You alone are the almighty GOD, that You are magnificent and that You alone rule supremely over all that has been created. I acknowledge that only through the Blood of Yeshua can our sins, transgressions and our bloodline iniquities be forgiven and can we be brought back into right standing with You, our Heavenly Father. Thank you for Your everlasting love for us and for your mercy that triumphs over judgement. Your Word says that You do not take pleasure in sinners falling away and that it is Your Heart that we would all humbly confess and repent and change our ways so that our lives will conform to Your Godly requirement on us.

Therefore we invite the Holy Spirit to help us and to convict us of sin, righteousness and judgement, to give us power to repent, insight to understand what we need to repent off and grace to see it through to the glory of our Father Who is in Heaven.

I approach Your throne humbly and as a representative of myself (and my parts / my bloodline) and acknowledge that we have allowed ourselves to be deceived by false doctrine, by doctrines of pagan festivities and the worship of Satan, as well as having been led astray by our own fallen, unsubmitted desires of our

hearts and our own untempered fantasies and illusions in our minds in that we opened the door to Satan.

Forgive us for agreeing with the lie that the man called Santa and the day called Christmas has been made the idolatrous day that was told to us as the birthday of our Savior. Forgive us for looking to false symbols and lies as a celebration of Your Son and for submitting to Satan's and his kingdom, for using the elements of pagan worship to give honor to You and Your Son, who stands in direct opposition to the cross of Yeshua. We turn away completely from Satan and his kingdom and this world's traditions and rededicate ourselves to Yeshua in spirit, soul and body. Forgive us for partaking in these rites to exercise materialism and unity. We are deeply remorseful for this and we lay it all down at your feet, Yeshua. Please wash us with the blood of the pure and spotless Lamb of GOD, that You are.

Forgive us for falsely acknowledging Santa and Christmas as the the birthday of Yeshua and partaking in those false traditions to bring Him earthly honor, we break agreement with these deities (Saturn, Thor, Karbuncle, Nimrod, Moloch but not limited to them) , demons, spirits and all of the kingdom of satan, and with its pagan roots and ask that You please extract us carefully from every point of this false holy day as we break all agreements and covenants and trades with Satan and all from his kingdom.

We give back everything that we received from them all and we ask that all that was lost to them be cleansed and brought back to us. Please disable all the weapons and programs that have

been set up to trigger as we repent and freeze them in the spirit realm so that we can deal with them orderly and sequentially.

We also repent for aligning and agreeing as well as practicing Christmas as a form of idolatry and we repent for the stubbornness of heart and mind as well as the lust for gifts and control that we were holding onto in our own lives as well as the generations that we come from.

Forgive us for accessing the the kingdom of darkness and for both foolishly as well as in an occultically uninformed manner, enquiring from Satan and for placing the fullness of our own created constellation, i.e. our spirit, soul and body, under his false rulership so that he could rule over and through us, because of the fallen cravings of our own luciferian hearts that we have not previously brought to You in repentance. We acknowledge that we have allowed Satan to blind us and that he keeps many of us blinded to that the light of the glory of the Gospel of Yeshua cannot enter into our minds. Therefore, we break all allegiance with this fallen deceiver and we pray for mercy and forgiveness to You, Father GOD, running to You alone for safety and Truth and all that we need and acknowledging only the Father, the Son and the Holy Spirit as our True GOD.

Please have mercy on us and forgive us for all that we have done with and under and for Christmas and Satan. We fully and irrevocably repent and return to You, Father, with all of our heart.

Please forgive us and save us and restore us back into the image and likeness of Yeshua HaMashiach. We lay down all our earthly

knowledge and skills and hand in all our documents and specific frequencies that we were taught by Satan and those who fall under him that would enable us to open various levels and dimensions of portals. We ask that only You will determine where and when and how we celebrate You . We hand in all our homes and properties and ask that You cleanse us with Your Living Water as we break all our agreements, contracts, oaths, covenants and trades as well as repent for all the generational dedications that we and those before us made with and to Satan and Christmas.

Forgive us for all the subconscious clauses that we consented to and hide us under the shadow of Your wing. Please start to restore our corrupted frequencies, due to our involvement with Christmas and place us under the shelter of Your Wing. Please realign us under Your Lordship alone, Yeshua HaMashiach.

By faith, we believe that when we repent of our sins, You forgive us and therefore we choose to humble ourselves and rejoice and accept Your forgiveness and to forgive ourselves. We bind our foreheads to Your forehead and submit our will to Your Will for us. Please place us under the instruction of the Holy Spirit and continue the process of systematically untethering us from the false teachings of Christmas and imprint Your Truth on our hearts.

We pray this in Yeshua's Name, the Only Name above All Names.

Amen
